Content

- PURPOSE:** The report is required by NC State Law [G.S. 130A-155.1.(c)]. It records the immunization status of all new (undergraduate and graduate) students enrolled in college each fall. This report must be completed annually.
- PREPARATION:** To be completed by the Registrar's Office. The immunizations should be reported as of calendar day 30 after the first day of attendance.
- DISTRIBUTION:** Each college or university's Registrar's Office should keep a copy for the school's file.
- Within 60 calendar days after the beginning of a new school year, the college or university shall file the report with the Immunization Branch.
- All reports must be submitted online at the Immunization Branch website:
www.immunize.nc.gov/schools/air_collegesuniversities.htm
- DISPOSITION:** Each school must keep a copy of this document for at least one year.

Minimum Requirements at College Entry

Vaccine	Number Doses Required
Diphtheria, tetanus, and pertussis	3 doses
Polio	3 doses
Measles	2 doses
Mumps	2 doses
Rubella	1 dose
Hepatitis B (Hep B)	3 doses

Medical Exemption: G.S. 130A-156

A valid Medical Exemption requires a signed statement from a physician licensed to practice medicine in North Carolina. The statement must explain the specific reason why each vaccine is detrimental to the student's health and the length of time the exemption will apply. Place a copy of the exemption in the student's permanent file. Do not submit a copy of the Medical Exemption to the NC Immunization Branch.

Religious Exemption: G.S. 130A-157

A student may be exempt when the parent or guardian submits a written statement explaining that it is against their ***bona fide*** religious belief to have their student immunized. Place a copy of the exemption in the student's permanent file. Do not submit a copy of the Religious Exemption to the NC Immunization Branch.
